

YOU DESIGN FOR THE FUTURE FOR YOUR CLIENTS TO LIVE IN THE NOW

The Sharp® SMD2489ES is the first, built-in Microwave Drawer™ Oven with Wi-Fi connectivity for seamless integration with your modern, smart home. Download the Sharp Kitchen app to enable the smart features.

*Mobile application for iOS and Android Devices.

The SKMD24U0ES pedestal accessory provides two-door storage and slides underneath your counter for hassle-free installation. This accessory also accepts custom contractor paneling so you can accommodate any kitchen design.

*Accessory sold separately.

DESIGNED FOR SIMPLY BETTER LIVING

The Sharp® Microwave Drawer™ Oven is built to match, and designed to stand out. Flexible placement options let you focus on the kitchen elements you prefer by maximizing sight-lines and enabling more design versatility than typical built-in, over-the-range or counter-top microwaves. The Microwave Drawer Oven can be placed below an island, peninsula, or standard cabinetry, and can also be installed adjacent to your wall oven. The Sharp Microwave Drawer Oven is now available in either Stainless Steel or the new, Black Stainless Steel.

*30 Inch Extension Kit sold separately.

CLEARANCES AND DIMENSIONS

- Dimensions that are shown in **Figures 2** and **3** (for 24") or **Figure 1** (for 30") must be used. Dimensions provide minimum clearance. Locate electrical outlet in the shaded area in the upper left-hand corner of the cutout.
- Contact surface must be solid and level. The floor of the opening should be plywood and strong enough to support the weight of the oven (min. 100 pounds).
- Check installation location for proper electrical supply.
- Your microwave drawer oven can be built into a cabinet or wall by itself or under a wall oven.
- Be sure that the clearance of the floor between the wall oven and the microwave drawer oven is a minimum of 2-inches.
- The microwave drawer oven will easily fit a 9" x 13" oblong dish or a bag of microwave popcorn.
- The microwave drawer oven can also be mounted flush. Please see instructions for flush mounting included with the Flush Mount Deflector vent.
